Percent satisfied with school-home relations	95.6%	89%	76.3%

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2012-2013 school year was another success that was centered around our motto, "One Team One Dream". The expectations, during the third year of the administration, were met by the faculty. Long Middle School had thirteen Junior Scholars and four Duke TIP Scholars. LMS had five students qualify for Region V Band. Long Middle was awarded the Palmetto Gold and Silver award. The Academic Bowl team continued to compete and do extremely well. The F.O.R. Club was created to combat bullying and promote a positive atmosphere for students.

Our focus for next year will be the effective implementation of the Common Core Standards while continually building positive home-school relations that enhance the achievement of our students.

Long Middle was able to successfully engage the community through two separate parent nights. Parents were informed about Black History month and the Heritage Museum along with attending our Scholastic Book Fair. Rachel's Challenge spoke to students and parents about the negative effects of bullying and the importance of a positive school atmosphere. Community involvement continues to be constant with PTO, SIC, and family fun nights. LMS has continued to implement a mentoring program for students who are at-risk. The eighth grade hosted our annual career day that brought local businesses to speak with students.

Long Middle continues to emphasize the common core standards in our professional growth. Full implementation of the common core standards will be expected and accomplished during this school year. Each Thursday will be dedicated to team planning that ensures the instructional strategies are meeting the different needs of students. Technology will continue to be utilized to ensure student engagement and motivation through enrichment and differentiation.

The 2012-2013 school year was productive, challenging, and empowering for the students, faculty, and administration at LMS. The positive school culture enhanced the high level performance by the administration, faculty, and student body. The collegiate atmosphere benefited the students through decisions that solely focused on their achievement and academic growth. Long Middle anticipates the challenges that will be presented for the 2013-2014 and we welcome these learning opportunities.

Braber Spell, SIC Chair
Matt Brantley, Principal – LMS
